

TTK4130: Assignment Set-up

March 25, 2019

- 11 assignments in total.
- 8 assignments need to be approved in order to take the exam.

Important dates

- See table 1 for the publication date and deadline of each assignment.
- The solution to each assignment is published after its deadline is overdue.

Delivery & Assessment

- Assignment delivery is done electronically on Blackboard.
File format: PDF, A4, portrait orientation (not landscape).
- Unlimited attempts are possible.
Only the last attempt will be considered for assessment.
- A successful delivery is followed by a confirmation email.
- Computer exercises can be solved in groups of 2 people.
In such case, the name of the group partner should be written in the answer.
Delivery is still individual.
- Students that would like feedback, should state it clearly.
- At least 51% of the exercises needs to be correct for the assignment to be approved.

Guidance hours

- Guidance hours start in week 3.
- 3 guidance hours each week:
Mondays and Wednesdays 17.15-19.00 in EL2 and Tuesdays 16:15-18:00 in the computer labs G116, G118 and G122.
- Each student has to sign up to one and only one guidance hour.
The lists can be found at “Course information” → “Groups for guidance hours”
- Students can only attend the guidance hour they signed up for.
- Table 2 shows which assignments are supported at each guidance hour.
